Market Information Circular

Circular number:	2008-31	Contact:	Jodi Burns, Director of Product Operations
Date:	September 2, 2008	Telephone:	646-805-1823

The purpose of this Market Information Circular (MIC) is to inform members of the schedule for introducing 2011 LEAP options for ISE listed products. These options would traditionally have been listed in the summer months, but as previously announced in Information Circular 2008-21, the options exchanges have determined to delay their introduction until the fall.

2011 LEAPs Schedule

- For January Cycle classes listed at the ISE, 2011 LEAPs will begin trading on Monday, September 15, 2008.
- For February Cycle classes, 2011 LEAPs will begin trading on Monday, October 13, 2008.
- For March Cycle classes, 2011 LEAPs will begin trading on Monday, November 17, 2008.

These dates coincide with the efforts of the other options exchanges.
